Ontario Ministry of Agriculture, Food and Rural Affairs

CCAC Board of Director

May 30, 2015 | Montréal, QC

WHO I AM

- BSc, DVM, MSc, University of Guelph
- 6 yrs Clinical Vet
- 25 yrs Director, ACS
- 28 yrs member of ACC
- ARA, CCAC & AAALAC involvement
- 3 yrs ARA Veterinary Inspector

GOALS OF THE SESSION

- Identify challenges and opportunities for ACCs
- Provide opportunity for discussions of ACC challenges and opportunities in small and large group formats
- Share experiences

GUIDELINES

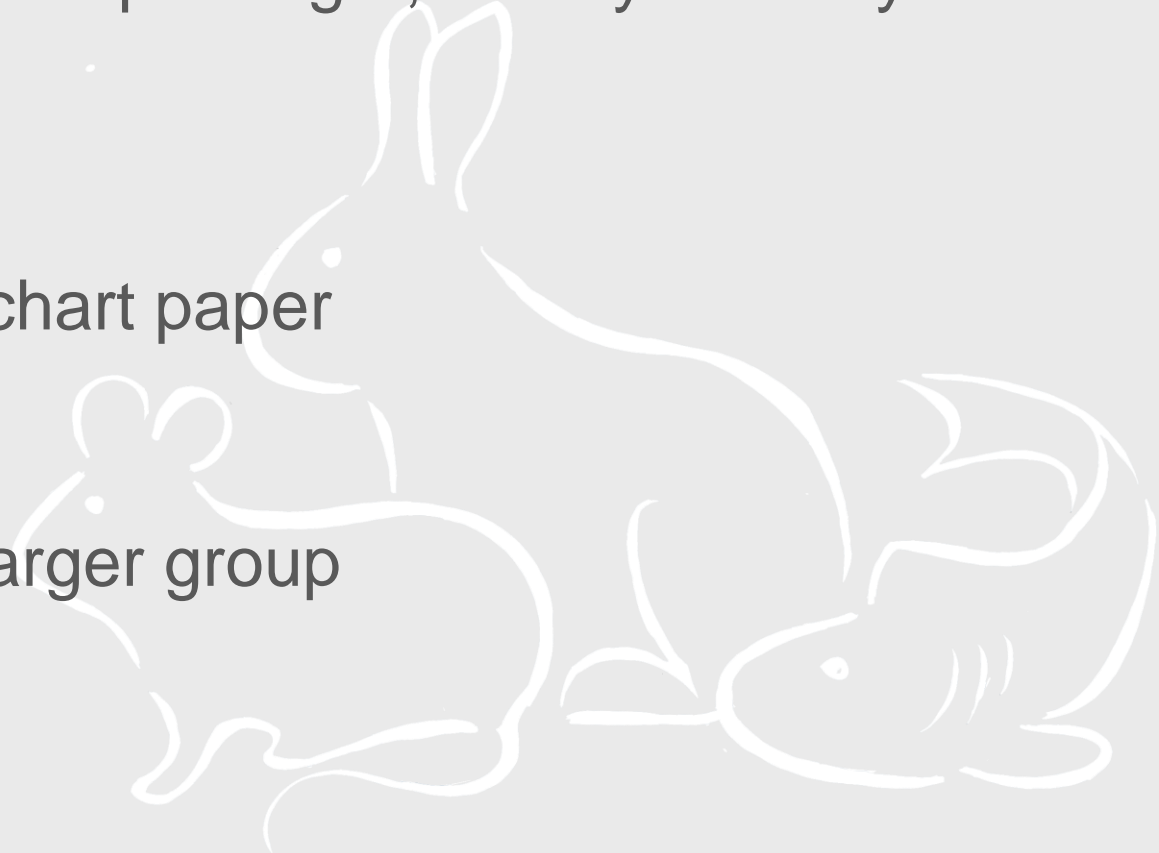

- 1 person speaks at a time (in both small and large groups)
- Share the conversation (don't monopolize)
- Respectful discussions
- Disclose what you feel is 'safe'
- Meet your goal(s)
- Networking
- Encourage all to participate

FIRST EXERCISE

Identify 3-5 challenges that are important to you
i.e. they keep you up at night, drive you crazy
frustrate you

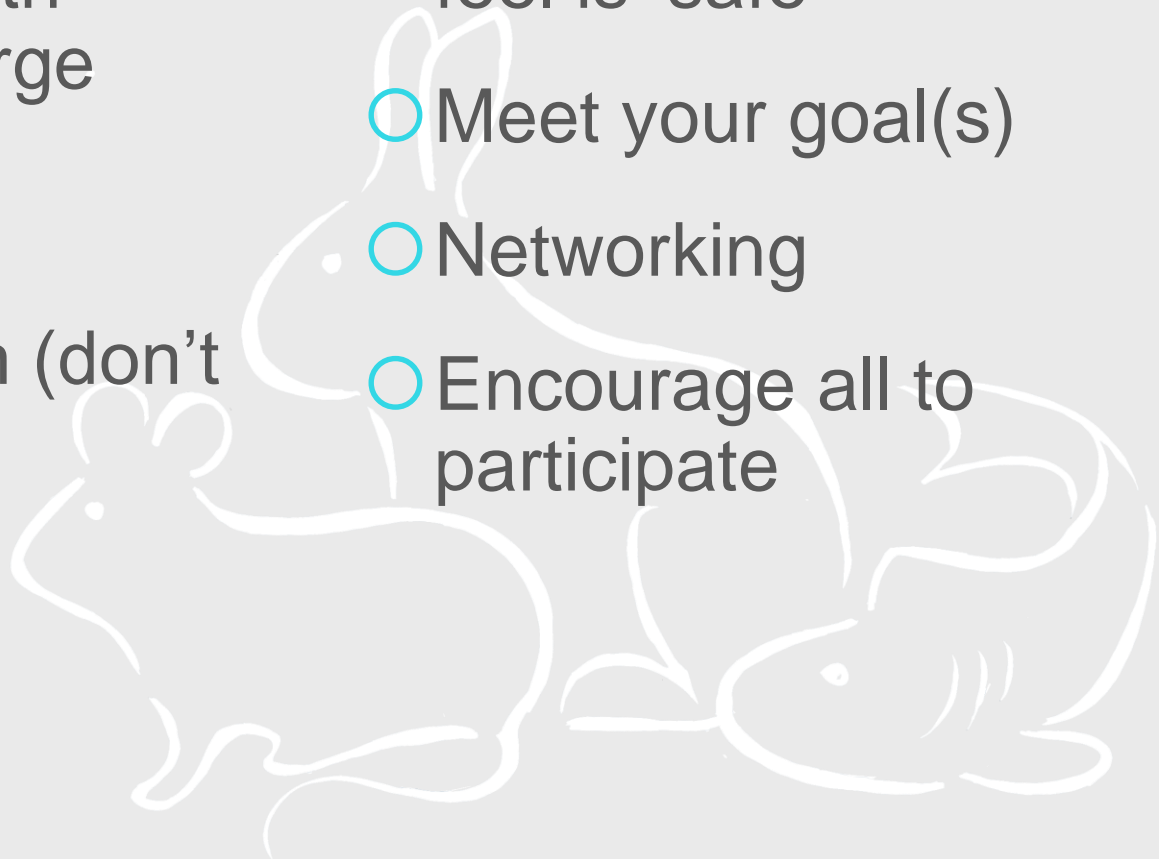

Write these on chart paper

Present to the larger group

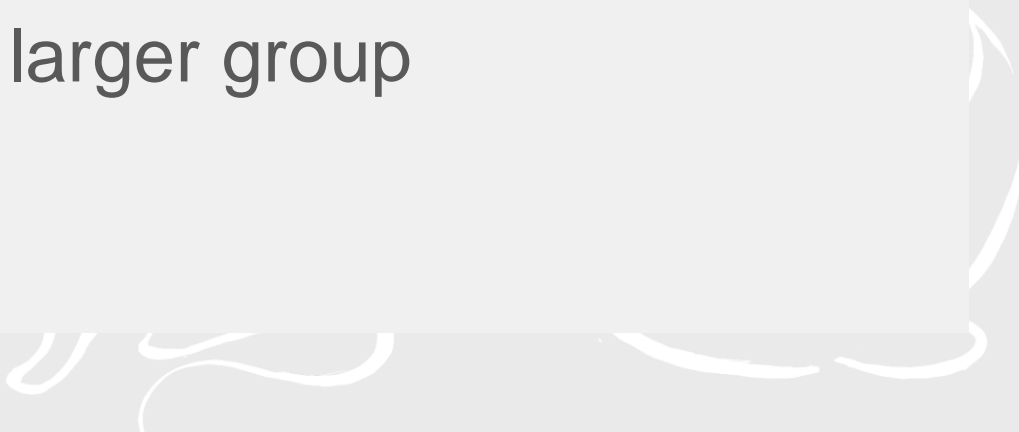

GUIDELINES

- 1 person speaks at a time (in both small and large groups)
- Share the conversation (don't monopolize)
- Respectful discussions
- Disclose what you feel is 'safe'
- Meet your goal(s)
- Networking
- Encourage all to participate

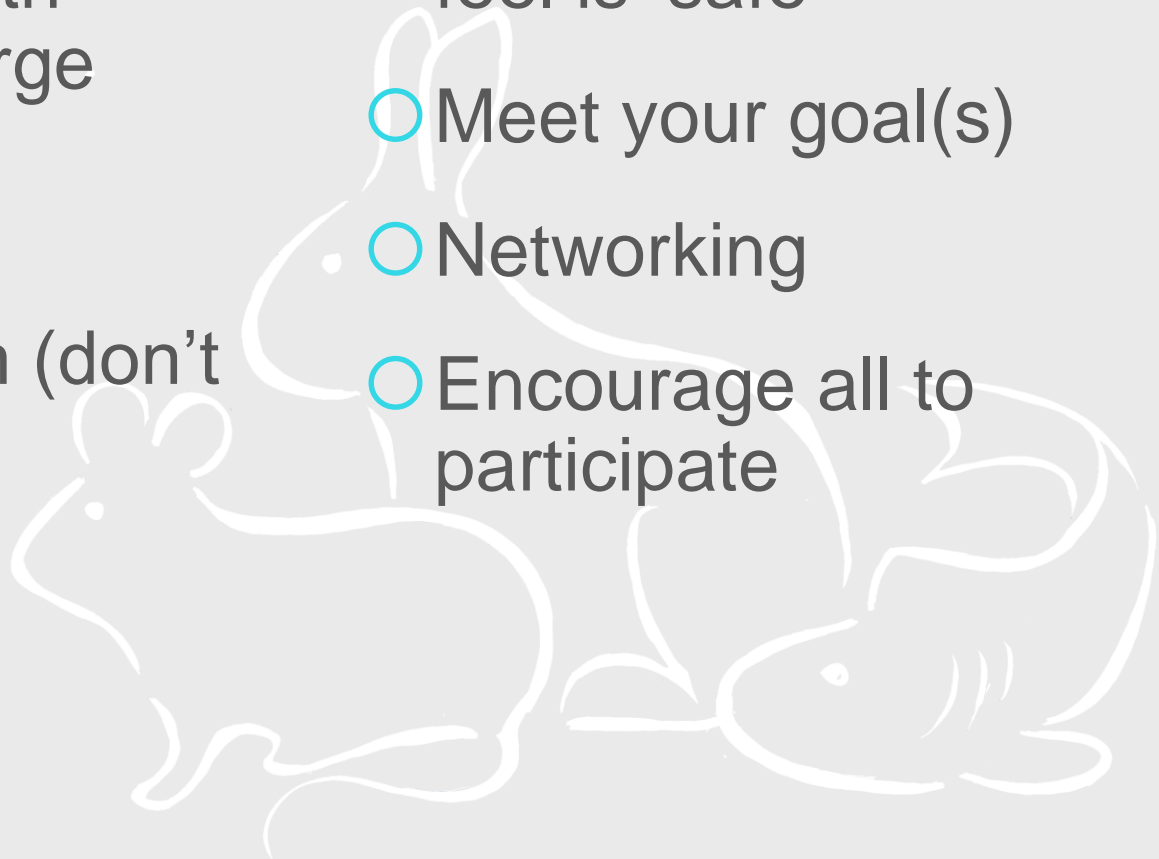

SECOND DISCUSSION

- Pick 1 Challenge and discuss possible solutions, advice you've been given, you've heard works
 - Identify Opportunities that may arise from this Challenge
 - Write/present to larger group
 - Repeat, if time
- 

GUIDELINES

- 1 person speaks at a time (in both small and large groups)
- Share the conversation (don't monopolize)
- Respectful discussions
- Disclose what you feel is 'safe'
- Meet your goal(s)
- Networking
- Encourage all to participate

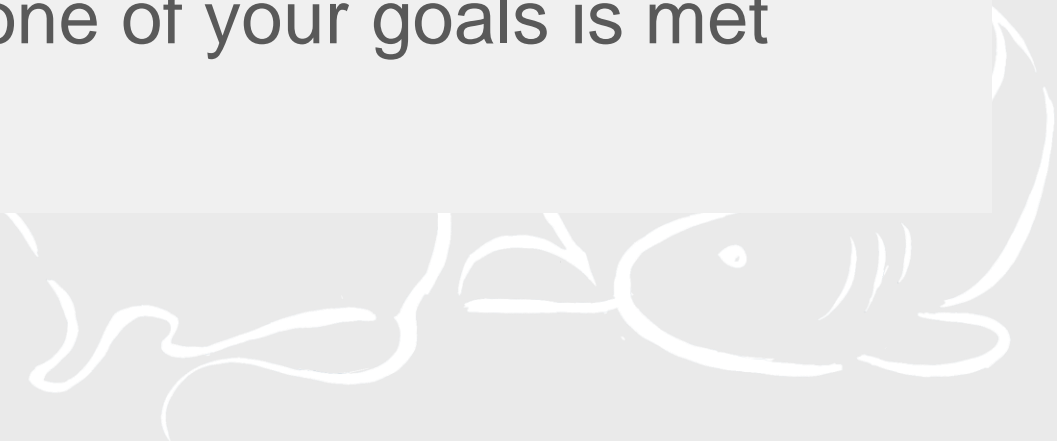

SUMMARY

- We Identified challenges and opportunities for ACCs
- Provided opportunity for discussions of ACC challenges and opportunities in small and large group formats
- Shared experiences

SUMMARY (Cont'd)

- The challenges identified will be offered to the CCAC PAC committee
- I hope at least one of your goals is met

THANK YOU!
